

SPOTLIGHT

PONYING UP

There was much horsing around at the Bristol, Wis., horse farm of MK and JB Pritzker when the Evanston couple hosted a preview party for the Evergreen Invitational. The equestrian Grand Prix show-jumping event, scheduled for September of next year, will serve as a fund-raiser for programs at Prentice Women's Hospital. The preview event drew 140 guests, who partook of a buffet luncheon and watched an equestrian competition.
